Percentage: 80.39%

High School D D S V M I C CHANDOUSI MARG BADAUN, UP Board

2018

• Percentage: 80%

Experience _____

Prodigy Infotech, Full-Stack Web Development

Virtual Internship July 2024 (1-month)

- Developed a responsive news summarization website using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Ensured cross-device compatibility and optimized the website for mobile, tablet, and desktop views.
- Collaborated with team members in a remote environment using Git for version control and project management.

Projects _____

StudyNotion | MERN Stack Ed-Tech Platform

- Developed a fully functional ed-tech platform using the MERN stack, enabling seamless user interaction and course management.
- Built user authentication, authorization, and OTP verification systems, with secure password management via Bcrypt.
- Integrated Razorpay for handling payments and Cloudinary for cloud-based media management.
- Designed responsive front-end using React, Tailwind CSS, and state management via Redux.
- Created a scalable backend with Node.js, Express.js, and MongoDB, supporting student and instructor roles.

Skills _____
